ANNUAL REPORT

2018

CLEAR CREEK COMMUNITY CHURCH,

As you read this annual report, remember, "Numbers have names. Names have stories. Every story matters to God." So, I hope you will consider the numbers in this annual report in light of the names and stories that matter to God.

During 2018, we heard lots of people share their stories! And we were reminded of how God included us in his work of redemption! Someone prayed, someone served, someone gave, someone shared the gospel, and someone walked with all of those people who were baptized so that unchurched people can become fully devoted followers of Jesus Christ.

Let's rejoice and be glad for all God has done! Then, let's devote ourselves to all God wants to do in and through his people in 2019. God is still writing stories!

Grace and Peace,
