1. Where do we see injustice occurring in our culture? In what ways have you experienced injustice from which you had no recourse?
2. Read James 5:1-8. What does it look like when we are patient in the midst of suffering that we cannot escape from?
3. Why does focusing on the coming of Jesus give us the ability to endure injustice? How can we appreciate God's future justice without feeling vindictive toward the unjust?
4. Read v. 9. How does unjust suffering affect your relationships? How can community sustain us at these times?
5. In what ways can your group help one another in times of suffering?
6. Read v. 12. Is your group characterized by authenticity?
7. Read v. 10-11. Whose example can you follow that has endured unjust suffering? What can you learn from them? How does this give us strength to endure?
