1. How do your beliefs impact your commitments? What commitments have you made in your life? What beliefs were at the root of those commitments?
2. Read Luke 5:4-11. What do you think was so appealing to the first disciples about their first experience with Jesus? What appeals to you about following Jesus?
3. In what ways has your life been transformed by experiencing the kingdom of God through service? What commitment did that service take?
4. Have you at least attempted to serve in the church? How did that experience go for you? Are you still serving? Why or why not?
5. What are some things that make you think you're not good enough to be useful to God? How can the awareness of sinfulness make you a more effective servant?
6. What questions come into your mind when you consider serving (or increasing your service)? What do you believe about the purpose of service?
7. How are you gifted for service? How could you use these gifts to meet a need at church?
