

## BIRTH — 5TH GRADE

### HELP US KEEP THIS A SAFE PLACE:

- Write your child's name on everything.
- Leave all toys at home.
- Have your parent tag ready. You must show it to enter the hallways and to pick up your child.
- Children cannot be released to anyone under 16.
- If we need you during a service, we will flash your family number on the small LED screen located under the large screens in the auditorium and cry area.
- If your child is sick, please stay home with him/her. No fever, vomiting, rash, or diarrhea, in the past 24 hours.
- If we have to evacuate the building, do not come to Children's Ministry. Go to our meeting place outside.
- It is our policy to not change cloth diapers for sanitary reasons. If you prefer cloth diapers, please see a Director.

## INCIDENTS INVOLVING HARMING OTHERS:

Harming others includes but is not limited to: biting, pinching, kicking, hitting, and pushing.

If a child exhibits a behavior with intent to harm someone else, the child will be removed from the room immediately. Parents will be notified by a director and asked to sign the incident report. Each offense of this nature is numbered.

### Here are the consequences of this behavior:

1. After three offenses within a 6-month time frame, the parents will be asked to stay with the child during the services in Children's Ministry.
2. Parents must stay with the child for one month — every time the child attends Children's Ministry.
3. After one month, the child may stay alone. If any offenses occur, the count begins over. In other words, another 6-month time frame begins. This consequence may be repeated as often as necessary.
