Meeting in Clear Lake Area

I am a blessed man, that has been married to a woman way out of my league for almost 15 years. We have three amazing children ages 13, 11 and 9. I am a proud Bible nerd who loves Jesus, sports, board/video games, music and eating...a lot. I am excited to have the opportunity to

Navigate a group of men through growing spiritually and walking through life together for this season. Small group is a safe place to ask any questions and share anything going on in your life. It is a place where you can learn about what the Bible has to say and where you can be truly known and get to truly know others. I look forward to getting to know you, walking with you through the highs and lows of the upcoming season, growing together as followers of Jesus and having fun along the way. I can't wait to see what God does through this group!

Meeting in Clear Lake

My family and I have been a part of CCCC since we moved to the area from Corpus Christi in 2016. My husband Jonathan and I have been married for almost 15 years. We have 2 kids, our son in HS, and our daughter currently in her last year of elementary. This is my first time leading a group as a navigator and I look forward to getting outside the comfort zone and exploring what God has in store for us as we build each other up and hold each other accountable. I am currently looking for Go-Ops that would have us actively pursuing ways to benefit underserved children and teens in the community.

When we meet at my home you should know: We have 2 sassy pugs that shed like crazy. We lovingly call it pug glitter but if you're allergic that won't be as magical as it sounds :)

We have been members of CCCC since 2011. We live in the LaPorte/Deer Park area, and have 2 children ages 8 and 4. We alternate men and women meeting each week. We come back together regularly, but hope that this schedule for group will allow couples with children to attend group more regularly, not have the burden of paying for childcare, and have the intimacy that happens in a men or women's group while also being able to do group with your spouse. Our studies will help us know God's Word, grow us as disciples of Christ, and deepen our relationships together.
